Sirs

I am very grateful for the trouble you took in mailing me that advisory card.

I do not think it advisable for me to follow your advice as last week I saw a good number of '44 2½ gold dollars in Bankers windows in Toronto, and I believe there are some in Montreal.

My bids were more of the "feeler" kind. as I have some in my collection

Yours truly
R W Williams

Sirs

I have just been shown a medal with ring, of which I send you the best rubbing I could take. The bust is quite prominent high raised & it is difficult to rub. The letters are raised. Sharp & say the obverse & reverse are exactly the same. Is it of value?

I think it to be an ancient medal awaiting an answer
